

Southern Pine FORMER MEMBER Capital Credit Application

Southern Pine Electric is a member-owned, not-for-profit electric cooperative. Members pay for electric service through rates collected by the cooperative to pay for expenses and invest in system improvements. Any revenue collected above that amount is allocated to the member's capital credit account. The allocated portion is given to the member or "retired" on a 30-year cycle. Southern Pine also makes the allocated portion of capital credits available for early retirement to former members at a discounted rate.

The capital credit allocation represents the member's ownership in Southern Pine Electric. The returning of capital credits is one of the important benefits of being a member of an electric cooperative.

HOW TO APPLY

Please submit the following to Southern Pine Electric:

- Completed *Request For Former Member Capital Credit* (included on next page)
- Government Issued Photo I.D.
